

board::Board

```
classDiagram
    reversi --|> board::Board
```

The diagram illustrates a generalization relationship. At the top is a white rectangular box with a black border containing the text "board::Board". Below it is a gray rectangular box with a black border containing the text "reversi". A vertical blue line connects the bottom of the "reversi" box to the bottom of the "board::Board" box, ending in a solid blue arrowhead pointing upwards towards the "board::Board" box.

reversi
